Character Building through Teamwork

Highland Park Field House

Micro Soccer

Micro Soccer uses small-sided games to provide a positive recreational co-ed soccer experience for children ages 5 & 6. Coached by professionals from the Chicago Magic Soccer Club Micro Soccer allows for children to play with small teams of 3 to 5 players on a small field. Small-sided games provide opportunities for more touches on the ball, for a constant transition between attacking and defensive situations, for players to be in a goal scoring position more often, and for a lower player to coach ratio.
